Mr. Harold Weisberg,

I will be in Bel Air Maryland for a wedding the weekend of June 19. If possible, I would like honored to present to you some information that we have developed. Your Whitewash books and Freedom of Information suits has roused many on a search for the Truth.

If this weekend is good for you, please send directions from Bel Air and a phone. I promise not to waste your time with idle conversation

Respectfully Yours

Gary Lonergan
